

ELECT DR. SHARMA CARSON CITY COUNCIL - DISTRICT 4

Who is Dr. Sharma Henderson?

I am a 15 year resident with over 25 years of experience in the nonprofit, education, small business, and government sectors and have been a professional consultant since 1998. I have a **Doctorate in Organizational Leadership** and a **Master's in Administration**.

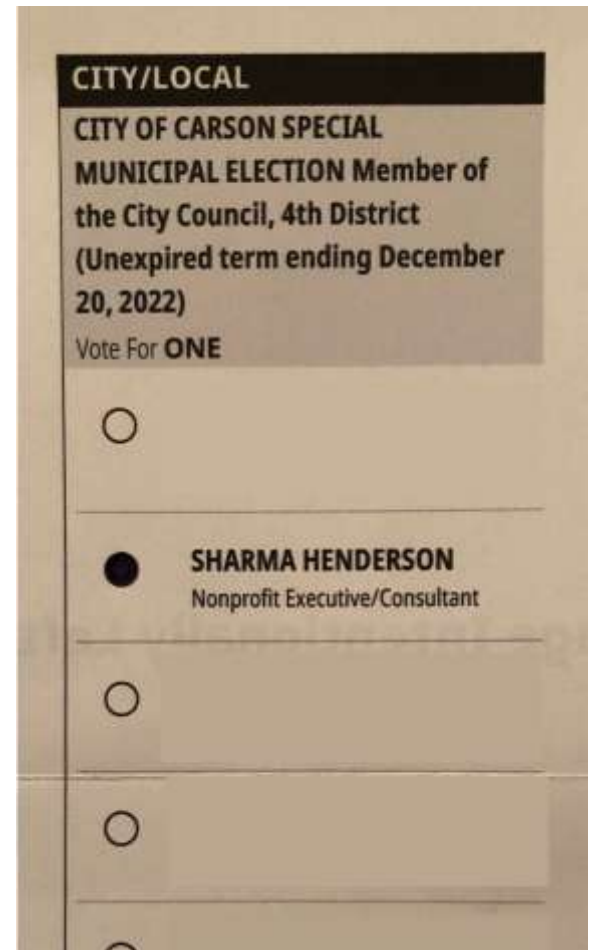

I am **experienced with multimillion-dollar budgets, evaluation of government projects, strategic planning, facilitating change management processes, , and resolving interpersonal conflicts.**

I regularly watch, attend, and participate in Carson City Council meetings.

What are Dr. Sharma's plans for Carson?

I plan to lead our city through a **comprehensive strategic planning and needs assessment process** that will identify our shared values and **establish a set of priorities that will guide the decision-making process.** This plan will **increase resident and stakeholder engagement** and leave the Council better equipped to address the City's needs in an **open, focused, accountable, transparent, and solution-building way.** I will focus my initial efforts on **public safety, generating revenue and truly balancing the city budget, uplifting city employee morale, addressing housing and homelessness, and strengthening our city's infrastructure, economy, and development** such that we are able to **easily attract and secure the kinds of retail and grocery establishments our residents deserve and desire.**

Elect someone who cares, who demonstrates integrity, who has a proven track record, who will lead without influence and with independent thought, and who has the skills, knowledge, and experience to hit the ground running, and is ready to serve on day 1!

VOTE FOR EXPERIENCE NOVEMBER 2ND!
